

Module Coordinators of the B.A. Minor Gender Studies

Status as of November 2024

The B.A. minor in Gender Studies is divided into six modules. Each module concludes with a module examination (proof of achievement). The module exams can be completed in the form of a written exam (120 minutes) or a term paper. *Oral exams, presentations, etc., are not permissible forms of assessment under Examination Regulations (PO) 2015, though oral exams are permitted under PO 2022.*

The module coordinators are responsible for the content and organization of the modules in the B.A. Gender Studies minor. If you have questions about specific modules, please feel free to contact the module coordinators in addition to the academic advising and study coordination offices.
